# Budget heading specific rules – staff costs

- ✓ **costs connected with the salary payments have to be reported within the reporting period when the last payment connected with the salary is made**

**Example** - in case if salary payment to employee is made in reporting period No 1 but relevant taxes are paid during reporting period No 2 all the costs connected with the salary payment should be included in the report for reporting period No 2

# Budget heading specific rules - Administrative costs

**NB!** % of flat rate has been fixed for each project beneficiary individually and is uploaded in projects' members area of programme webpage [www.latruscbb.eu](http://www.latruscbb.eu)

- beneficiary does not need to document that the expenditure has been incurred and paid, or to prove that the reported amount using the flat rate would correspond to the real costs for office and administration
